25 Trendsetters of 2007 Awards Dinner

We fêted this year's extraordinary, inspiring group of Modern Bride Trendsetters—including fashion designer Carolina Herrera, restaurateur and caterer Daniel Boulud, and celebrity-wedding planners JoAnn and Frank Gregoli—on May 9 at the New York Palace hotel.

The star-studded evening began with lots of activity on the red carpet: Celebrity presenters included Michael J. Fox and Tracy Pollan, Lance Armstrong, Lisa Rinna, and Giuliana DePandi (E! News anchor) and her fiancé Bill Rancic (the first winner of *The Apprentice*). Next came an elaborate cocktail hour and three-course dinner—and our awards presentation, which culminated in a rocking set by Kevin and Michael Bacon, aka *The Bacon Brothers*. At the end of the evening, each guest went home with a gigantic gift bag stuffed with fun goodies. (Turn to page 190 for your chance to win one!)
